OTHER WORK EXPERIENCE

Georgetown Climate Center, Georgetown Law, Washington, DC

Program Manager for Climate Change Mitigation, July 2014 – June 2017

Institute Associate, December 2010 – July 2014

Managed the Center's work to advance state and federal greenhouse gas (GHG) reduction policies in the power and transportation sectors. This included providing legal and policy counsel to state officials, facilitating coordinated state action, supporting state engagement in federal policymaking, and convening stakeholders.

Key accomplishments:

- Facilitated coordinated action from a group of over a dozen states supporting EPA's Clean Power Plan (CPP), including [two rounds of detailed comments on the rule](#), multiple in-person meetings of state leaders with the White House and EPA to provide input, a [14-state bipartisan letter](#) requesting model rules, and [state public and media engagement](#) around regulatory actions and litigation
- Coordinated with state attorneys general to support climate litigation
- Developed a network of state agency staff in 32 states working on clean energy and climate policies and engaged states on key implementation issues through webinars and discussion calls
- Led development of multiple white papers on clean energy and transportation legal and policy issues
- Led facilitation of the [Transportation and Climate Initiative \(TCI\)](#), a collaboration among 11 northeast states and DC to reduce GHG emissions from the transportation sector
- Supervised work to support state promotion of electric vehicles, including [federal EV corridor designations](#), regional planning for EV infrastructure build-out that includes VW settlement, and analysis of utility investment models and associated regulatory issues

White House Office of Energy and Climate Change, Washington, DC*Intern, January 2010 – May 2010*

Provided project support, legal research, and policy analysis in the office of the Assistant to the President for Energy and Climate Change, Carol M. Browner. Included work on greenhouse gas standards for light duty and medium and heavy-duty vehicles and related Presidential Memorandum.

U.S. House of Representatives Committee on Energy and Commerce, Washington, DC*Intern for Majority Staff, Energy and Environment Team, January 2009 – May 2009*

Researched law and policy for the staff of Committee Chair Rep. Henry A. Waxman while the committee was drafting the first comprehensive climate-change legislation to be passed by the House of Representatives (H.R. 2454, the American Clean Energy and Security Act).

Georgetown Iraqi Refugee Resettlement Project, Washington, DC*Investigator, Joint-Report Committee Co-Chair, January 2009 – December 2009*

Conducted fact-finding mission investigating the Iraqi refugee crisis and the U.S. refugee resettlement system, including interviews with 75 Iraqi refugees. Served as an editor on the project report, published in October 2009. Briefed U.S. State Department officials and Congressional staff.

Transactional Records Access Clearinghouse (TRAC), Washington, DC*Immigration Courts Project Legal Intern, May 2008 – July 2009*

Researched and co-authored two reports on immigration judge workload, hiring, training and performance as part of a project to monitor asylum grant-rate disparities. Reports resulted in newspaper articles, a Washington Post editorial, and testimony at a Congressional hearing.

Georgetown University Law Center, Washington, DC*Research Assistant for University Professor Robin West, August 2008 – May 2009*

Researched Supreme Court decisions concerning right to privacy for Yale Law Review article.

Research Assistant for Professor Philip G. Schrag, August 2008 – May 2009

Researched performance of the Department of Homeland Security for a policy memorandum.

Capital Community News, Washington, DC*Associate Editor, Reporter, October 2002 – July 2007*

Edited and reported for three DC-based community newspapers. Wrote news and investigative feature articles and managed a pool of over 20 freelancers. Reported closely on public schools reform, gentrification and economic development, disparities in health care, and youth crime prevention.
